

Nebraska Association for the Gifted Educational Consultants and Vendors Form

The Nebraska Association for the Gifted (NAG) Conference will be held on February 19 and 20, 2008 from 8:00 a.m. to 4:00 p.m. each day at the Omaha-La Vista Hotel Conference Center in LaVista, Nebraska. In the past over 400 educators have attended this conference.

Your support and materials help to enrich our conference and allow educators a chance to explore your products and services. It provides an opportunity for teachers to buy and learn about new products and learning techniques available to them.

Tables may be reserved at a cost of \$100.00 per table. The booth includes a table, 8 foot in length, two chairs and a trashcan.

****Electricity and Internet access may be obtained from the hotel. Please refer to the Exhibitor Order Form for instructions on how to obtain this service from the hotel conference center. All requests must be sent to the address on the form, NAG does not handle requests for electricity or internet access.**

Tables will be reserved upon receipt of your payment. Please fill out the form below and send it to Nebraska Association for the Gifted by January 9, 2009.

In the past we have also appreciated donated materials that are used for door prizes and awards for conference participants. Books, games, puzzles, gift certificates, etc. are appreciated and your organization/company will be credited and advertised.

The NAG website provides you an opportunity to read about conference details. Please visit www.negifted.org for more information.

You may also send all educational materials you would like distributed to:

John Thomsen
2623 N. 145 Ave
Omaha NE 68116
